

# HBACA Fleet Benefits Program

## Midway Auto Team *"Absolutely Unbeatable"*

***Effective: March, 2010***

HBACA is pleased to announce an alliance with Midway Auto Team, a division of VTAIG, the world's largest private dealer group.

All members, including their families and employees, qualify for fleet benefits on any personal or commercial vehicle.

There are additional incentives available from **all manufacturers** and Midway for HBACA members only.

This customized program will save you time and money when you purchase, service, or repair your vehicles... **All makes and models... New or used!**

Also, members receive group rates on all service and collision repairs, and your first **lube, oil, and filter is free at Midway's Commercial Service Center!**

Keep in mind, Midway offers **mobile service at your business or jobsite**, and a **free loaner** while your vehicle is in their shop!
